

## Ameliasburg Preparative Meeting, 1853 - 1882

Archives: O - 2 - 4

This minute book is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. This transcription was done from the images of the filming done in 1974 by the archives. The film is available at the Archives of Ontario (MS 303, reel 15). The pages of the original document were not numbered. The image numbers recorded below refer to the digital copy. The text was transcribed as written so researchers must consider the many variations in spelling when searching the transcribed text. Minor changes to paragraphing were done to make reading easier especially in the case of long run on sentences. Transcribers notes are in square brackets and hard to decipher words are indicated with question marks.

This proofread transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carman Foster and Doug Smith. CFHA wishes to express its gratitude to those who worked on this project.

Ameliasburg Preparative meeting was established in 1817 under Adolphustown Monthly Meeting and under West Lake Monthly meeting after 1821. It began as an indulged meeting in 1814 meeting at the home of Benjamin Garrett and later Jonathan Clark. In 1824 Hillier Township was created from that part of Ameliasburg west of the town of Wellington and the meeting became known as Hillier meeting. In this book the meeting is named Ameliasburg until 2 month 1870 when permission is granted by the monthly meeting to name the meeting, Wellington Meeting [see image 94].

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact [chair@cfha.info](mailto:chair@cfha.info) for additional details, and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it revealing about the life and times of these early Quaker settlers in Upper Canada. A microfilm done in 1974 is available at the Archives of Ontario. A more recent filming of the original minute book done by Ancestry.com is on line with a searchable nominal index. This full transcription and the Ancestry images will complement each other.
