

Pickering Monthly Meeting Register, Marriage & Removals 1845 - 1874

Archives: O-6-9

This register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The transcription was done from the images of a filming available at the Archives of Ontario, MS 303, reel 19. The register is catalogued as Pickering MM Marriages and Removals 1845-74.

The first half of this register contains marriages from 1851 to 1895. The second half contains numerous removals from 1845 to 1878.

This transcription is donated to the Canadian Friends Historical Association (CFHA). It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The transcription and proof reading were done by Carman Foster and formatted for posting by Randy Saylor. CFHA wishes to express its gratitude to those who worked on this project. The image numbers below refer to the digital copy.

The text was transcribed as written with some adjustments for clarity of reading. Researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets. Illegible words are noted as by a question mark.

Around 1809, Timothy Rogers removed from Yonge St to Duffins Creek in Pickering Township where he operated a grist and saw mill. In 1810, Timothy went to the USA and returned with another company of settlers. In 1812, Yonge St Monthly Meeting allowed an indulged meeting to be established there and then in 1819 a Pickering Preparative meeting was formed at Pickering. Meeting houses were built two miles east of Pickering on the Danforth Road, first in 1819, replaced in 1833 which was destroyed by fire and replaced in either 1866 or 1876 (Dorland gives both dates.) These minutes make no mention of building a new meeting house in 1866 or 1867 so the likely year is 1876. Upon the separation in 1828, the Orthodox were in control of both Uxbridge and Pickering meetings and the associated property. In 1842, the Canada Half Yearly Meeting reorganized Uxbridge and Pickering as Pickering Monthly Meeting. In 1886, due to decline, the Pickering meeting was changed to an Executive Meeting allowing meetings to be held at less frequent intervals.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription.
