

YONGE STREET REGISTRY OF BIRTHS AND DEATHS 1803? - 1866

Archives: H-15-1 and O-12-1

The original marriage register is held by the Canadian Quaker Archives and Library in Newmarket, Ontario. It is catalogued as Yonge St Registry of Births and Deaths 1803? – 1866 with number H-15-1. It has been microfilmed and is available at the Archives of Ontario, MS 303, reel 48. The cover of the original states that the register was the property of Genesee Yearly Meeting so the book was in Hicksite hands after 1828.

The Archives also holds a typescript (two copies) using the same name and it is catalogued with the same title as above with number O-12-1. It too has been microfilmed by the Archives of Ontario, MS 303, reel 28.

The file below was prepared from the typescript copy held in the CYM archives (O-12-1). The person who completed the original typescript copy is unknown at present. The typescript and the original register do not match up very well. Many pages are the same but there is much that is different. The original Register H-15-1 needs to be transcribed for comparison. The earliest year recorded is 1803 and the latest is 1873.

This transcription was donated to the Canada Yearly Meeting Archives (CYM) and posted on their website using the same register name and the number O-12-1. In 2017 it was decided to move all transcriptions to the website of the Canadian Friends Historical Association (CFHA).

The transcription is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. The name of the transcriber is unknown. It has not been proof read and has been prepared for posting by Randy Saylor. CFHA wishes to express its gratitude to those who worked on this project.

Yonge Street meeting was established in 1804 as a Preparative meeting and in 1806 it was made a Monthly Meeting. Both Pelham Monthly Meeting and Yonge St Monthly Meeting were under Philadelphia Yearly Meeting. In 1810, the three monthly meetings in Upper Canada; Adolphustown, Pelham and Yonge St, were joined under the Canada Half Yearly Meeting which reported to New York Yearly Meeting.

Yonge St meeting was established by Timothy Rogers and many settlers from Vermont followed him to settle along Yonge St in what is today the city of Newmarket. There were close connections with Pelham and Niagara area Quaker settlers and many also moved to the Yonge St area and settled principally around Uxbridge. These meetings were established under Yonge St: Whitchurch, 1810; Queens St, 1810; Uxbridge, 1810, and Pickering, 1819. In 1828 the Quaker community separated into Orthodox and Hicksite Quakers.

There is an excellent book on the Yonge St meeting, *From Quaker to Upper Canadian: Faith and Community Among Yonge Street Friends, 1801 - 1850* by Robynne Rogers Healey, 2006.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in *The Meetinghouse* newsletter or the *Canadian Quaker History Journal*. Please contact chair@cfha.info for additional details and see also the submission guidelines provided on the CFHA website.

This is a complete transcription and it is hoped that researchers will find it revealing about the life and times of these early Quaker settlers in Upper Canada.
