

Pelham Preparative Meeting Friends 1802 – 1879

Archives: H-6-1

These twelve unbound parts of Minute Books are held by the Canadian Quaker Archives and Library in Newmarket, Ontario. The minute books from this period obviously fell apart and were not rebound. They have been microfilmed and are available at the Archives of Ontario, MS 303, reel 40. They are catalogued as *Pelham Preparative Meeting, 1802 - . Twelve unbound parts*. The Genesee Yearly Meeting put identifying stickers on each bundle and these labels have been transcribed as well.

The bundles were not filmed in chronological order. **The transcription below is reassembled in chronological order.** There is a solid line in the transcription when a new bundle presents itself. A copy of the microfilm was made for transcription in two sessions. The first half is shown as image set (1) followed by image set (2). The individual image numbers are not in order due to being reassembled chronologically.

These are the meeting dates that have survived and are transcribed below.

9 mo 1802 – 6 mo 1809
6 mo 1813 – 1 mo 1814
5 mo 1814 – 3 mo 1822
4 mo 1827 – 2 mo 1838
7 mo 1843 – 11 mo 1879

After the Separation in 1828, the Hicksites kept and continued to use these minute books.

The text was transcribed as written, so researchers must consider the many variations in spelling when searching the transcribed text. Transcriber notes are in square brackets.

This transcription was completed by Carm Foster and formatted for posting by Randy Saylor and is posted on the Canadian Friends Historical Association (CFHA) web site. It is made freely available and supports search, cut and paste. CFHA will officially grant linking privileges to organizations that support this free access. CFHA wishes to express its gratitude to those who worked on this project.

By the mid 1790's a number of Quakers, mostly from Pennsylvania, had settled in the Niagara area. In 1799, the Philadelphia Yearly Meeting approved the establishment of Preparative meetings at Short Hills in Pelham Township and Black Creek in Bertie Township and one day later Pelham Monthly Meeting was established. The meeting house was rebuilt to be larger in 1807. In 1810 the Canada Half Yearly Meeting was established under New York Yearly Meeting

with Pelham, Yonge St and Adolphustown being the Monthly Meetings. Norwich became a Preparative Meeting under Pelham in 1816. Upon the separation in 1828, the Hicksite branch of Pelham came under Genesee Yearly Meeting in 1834.

Researchers are requested to cite the transcription when incorporating passages excerpted from this transcription. Please note that CFHA welcomes written comment, submissions and research related to the Canadian Quaker experience and legacy for publication consideration in The Meetinghouse newsletter or the Canadian Quaker History Journal. Please contact chair@cfha.info for additional details and see also the submission guidelines provided on the CFHA website.
